

CMA REALTY

Property Management & Sales

WELCOME TO THE PROPERTY MANAGEMENT GROUP CMA REALTY

CMA is one of the leading Property Management firms in the quad-city area and we try very hard to maintain a high level of personal service both to our property owners and to our tenants. This document is intended to familiarize you with our policies and procedures in renting and managing the properties that have been entrusted to us. Please read this document and if you have any questions, please feel free to call us.

Availability List: CMA publishes a "Property List" at least three times each week describing our available rentals. This list is distributed at our front desk, placed in a box outside the door for after-hours availability, is also published on our web site at www.cmareal.com under "Tenants & Rentals". If you still have questions, please call us at one of the numbers below or email us at frontdesk@cmareal.com.

Definitions: Once an "Applicant" has been accepted, he/she will be referred to as "Tenant" in this document.

Screening: Our pre-approval screening process is rather detailed and will include complete credit history (consumer debt, bankruptcies, tax liens, judgments, and so forth), employment verification, former landlord verification and any criminal record. CMA is a participant in the "Crime Free Neighborhood", (ARS 33-1368) program and you will be required to sign this agreement as a term & condition of your lease. This process may take several days if your previous landlord(s) or employer do not reply to us in a timely manner. CMA is motivated to process applications as quickly as possible—we want to fill our properties. Often people we need information from are not cooperative and/or timely. Applications, either approved or incomplete shall be held for thirty (30) days and then considered abandoned if no action has been taken by the applicant.

Showings: All of our properties require an appointment to show. Before one of our agents shows you a property, we will require that you have an approved application on file. Interior photos of properties are available for viewing in our office. If there is any question in your mind whether your application will be approved, we suggest that you fill out a Tenant Data Form (Application) as early as possible and let us run you through the screening process. This form may be picked up at our office or downloaded from the website. It normally takes between 24 to 48 hours to complete this process and will avoid us showing you and you looking at, a property(s) you wouldn't qualify for. This will avoid a disappointment down the line.

Leases: All of our properties except those that are for sale require a minimum six (6) month lease unless otherwise noted on the Availability List.

Lease/Rental Agreement: The fully executed Lease Agreement must be signed by all Tenants and Co-Tenants prior to obtaining keys to the Premises.

Move-in Costs: The first month's rent or the pro-rated portion thereof, plus any applicable taxes, security deposits and administrative fee must be paid to Agent in either certified check or money order prior to obtaining the keys to the Premises.

Occupancy: CMA has an occupancy limit of two (2) persons per bedroom for health and safety reasons. This is not a statute or an ordinance; it is an industry accepted limit and has been accepted by the courts as a reasonable limit.

Holding a Property: If you request us to hold a property and you want to place a Hold Deposit, we require that you complete the screening process and have an approved application. We suggest that before you start the screening process you read all of our forms carefully, including the Lease. Hold Deposits are **non refundable** and are forwarded to the Owner if you fail to perform as agreed upon. The Hold Deposit shall be equal to ½ of (1) one month rent. The minimum Hold Deposit shall be three (3) hundred dollars. Hold deposits shall be date and time stamped to determine who is first in line.

Deposits: All of CMA's rentals require certain deposits. Some are refundable and some are not. All rents, fees and deposits will be listed in our "Good Faith Estimate". Please read it carefully. Our required deposits and fees are as follows:

1. Security Deposit 1.5 times rent amount. Refundable if Tenant meets all terms and conditions of the lease. **Security Deposit may not be used by Tenant for any month's rent.** Security Deposits are refunded after the walk-thru and after the keys have been turned in to this office if there are no Tenant-related damages. The Arizona Residential Landlord-Tenant Act allows a landlord/agent (14) fourteen business days to either return said deposits or submit to the Tenant a detailed list of damages in writing, to be accessed the Tenant.
2. Pet Rent (\$50.00 min. per month, if applicable, based upon number & type): **Non-Refundable** and will remain for the term of the lease even if the pet is no longer in the unit.
3. Administrative Fee of \$125.00, which is **non-refundable**.
4. Application Fee of \$100.00 for Married Couple and \$50.00 for each Applicant & Co-Applicant. Application fees are **non-refundable** and must be paid with cash (**if paying with cash must be exact amount**) or money order or cashiers check.

Payment of Funds: Please note that initial rent and deposits must be paid with **certified funds** and **not** a personal check. This is particularly important if you are coming in from out of town. We suggest that you arrange for these funds before you leave to travel here because there is often a delay in getting access to your funds after you arrive here. **Do not, under any circumstances, drop cash into our night deposit slot. CMA will not be responsible for cash inserted into this slot that turns up missing.**

Rent: **We do not accept cash.** Rent must be paid by check or money order or cashiers check. Tenant understands and agrees that partial payments of rent will not be accepted without a written agreement with the Property Manager. There is a \$25.00 service charge for partial payment agreements. If Tenant posts in the U.S. mail, or places a partial rent payment in the office drop box, it will not be accepted and will be returned to Tenant. Tenant also understands and agrees that if a balance exists in their account at the time rent is paid, that the payment is first applied to the existing account balance and then to the rent due. If there are not sufficient funds remaining to cover the rent due, the Tenant will be notified to remit the balance due and charged late fees until the full rent is paid.

Returned Check Policies: If Tenant tenders a check for rent or deposits that is returned for insufficient funds by the bank, a fee of Fifty dollars (\$50) will be charged to the Tenant. If the check is not covered by cashiers check or money order within twenty-four (24) hours, Tenant will be sent by certified mail a 12-Day Notice to make good on the check and a 5-Day Notice to pay or quit. Insufficient funds checks will be prosecuted to the full extent of the law. **Note:** Arizona State Law awards double damages for checks not covered during the 12-Day Notice period. After the second incident of a returned check, you will lose the privilege of paying your rent by check for a period of not less than six (6) months during which time your rent must be paid by certified check or money order. Late fee penalties must be paid at the time the returned check is covered.

Utilities: Prior to receiving keys to any unit the tenant will be required to produce proof (generally a deposit receipt) that utility deposits have been paid and the account has been placed in the Tenant's name. Some utilities may be included in the rent. Your lease will clearly specify which

utilities & services are paid by the Owner and which are paid by the Tenant. Unless Tenant pays for the water, washing of automobiles is not permitted on the premises.

Pet Restrictions: Some of our properties permit pets and some do not. Some dog breeds will not be permitted under any circumstances because most insurance companies will cancel the owner's policy if they are discovered on the premises. These breeds are German Shepard, Doberman, Rottweiler, Chow, Akita and Staffordshire Terrier (Pit Bull). Pets such as iguanas, snakes, and ferrets are on approval only. Pets must be spayed or neutered and have proof of current immunizations. See Deposits above for pet rent. ***Assistance animals are not considered pets and therefore no pet rent is required. Proof of need of an Assistance Animal is required thru your health care provider. Service animal certificates obtained online are not acceptable.***

Pools, Spas & Hot Tubs: New laws and ordinances require that pools (even the small inflatable types), spas, & hot tubs must be within approved child-proof fences. Before installing such a device, obtain a copy of the town, city or county ordinance and make sure that you are in compliance. If not, you will be in violation of the code and will also be in violation of your lease.

Trampolines: To the best of our knowledge, accidents and injuries caused by using trampolines are not covered by any insurance company. Trampolines will not be approved for installation in any of our managed properties.

Smoking: All of our rental units are "No Smoking inside" units. To avoid any misunderstanding at move-out, please read your lease carefully. De-odorizing a unit can be costly and if it has been established that you have smoked, this de-odorizing will be done at your expense.

Allergies/Sensitivities: CMA has no way of determining whether Tenants are chemically sensitive, environmentally ill or allergic to molds, animal dander or plants and trees surrounding the unit you rent. In order to be fair to all parties concerned, we request that you disclose to us, up front, any such substances that you may be allergic or sensitive to. Very few of our units are set up for tenants who might be environmentally sensitive and we want to avoid problems of this nature, if at all possible. CMA tries to insure that units are clean when we rent them, but sometimes that is not enough. Often the presence of such substances is not easily determined. CMA will not take the responsibility for allergies and/or environmental sensitivities, however we will do our best not to place a Tenant in such an environment.

Repairs and/or Alteration to Property: Tenant understands and agrees that all repairs and/or alteration to the property must be scheduled through the Property Manager. Neither the Agent nor the Owner are responsible, financially or otherwise, for work or repairs that are done by or ordered by the Tenant. All alterations must have prior written approval by the Agent.

Health Hazards: Accumulations of trash of any kind, garbage, raw sewage or animal waste constitute a health hazard and are considered a breach of the lease agreement. A 5-Day Notice will be sent to the offending Tenant to correct problem or face eviction.

Incident Report: Whenever Agent receives a complaint against the Tenant from a neighbor or the local authorities, an Incident Report will be placed in the Tenant's file and the Tenant will be notified. Tenants are responsible for respecting the rights of the neighbors.

Storage of Personal Property: Personal property shall be stored inside the unit, the garage or the storage locker-whichever is applicable. No personal property shall be stored outside the unit.

Insurance: Tenant is responsible for carrying Renter's Insurance to cover personal property including vehicles, animals, furniture, appliances, food stored in cabinets and refrigerators, etc. The Owner's liability and hazard insurance does not cover the Tenant's personal property and neither Owner nor Agent assumes responsibility for uninsured personal property that is damaged.

Signs: Tenant shall not remove any signage from the Premises. If there is still a "For Rent" sign on Premises, please call our office and we will remove it promptly. "For Sale" signs will remain until the Owner or Agent has them removed.

Pest and Weed Control: For single family units, the Tenant is responsible for pest and weed control on the Premises after the Premises has been accepted or move-in occurs (whichever is

sooner) and for maintaining the existing landscaping (watering, grass cutting, etc.) during the period of residence. In multifamily units, individual fenced-in yards are not considered "common areas" and it is the Tenants responsibility to maintain the yard.

Access to Property: Tenant shall not unreasonably deny access to the property for purposes of inspections, repairs and, in the case of property for sale, showing of the property. If access is unreasonably denied by Tenant, this will be considered a breach of the Lease Agreement and Agent will forward to Tenant a 10-Day Notice of this breach and commence eviction proceedings.

Inspections: Tenant understands and agrees that the inside of the premises will be inspected by the Property Manager a minimum of twice each calendar year with adequate notice.

Inside Light Bulbs: The property will be turned over the Tenant with all inside light bulbs in working condition. After the Tenant takes possession of the property, it is the Tenants responsibility to replace burned out bulbs.

Satellite Dishes, Antennae, etc: The Tenant is not authorized to attach or mount any object to the outside of the building without written permission from the Owner or Owner's Agent. Any damage resulting from unauthorized mounting or attachment will be repaired at Tenants expense. Satellite dishes must be removed when a Tenant leaves or you will be charged for it.

Automobile Parking & Repair: Tenants shall declare on the Lease how many automobiles they intend to park on the property. Many properties have limited parking and the Tenant must find alternative accommodations for additional vehicles. Authorization to park a vehicle on the premises does not included the right to repair-to-repair vehicles on the premises. Oil or any other petroleum-based fluids are considered hazardous waste. Any leakage or dumping of such fluids is not permitted and shall be deemed a breach of your lease. Such leaks and spills will be cleaned up from concrete and landscaping at the Tenant's expense.

Damage to and/or Missing Property: Tenant shall be responsible for the replacement cost of the Owner's personal property that has been damaged during the tenancy or is determined to be missing at the end of the tenancy. Normal wear and tear not included.

We try hard to make your stay with us a pleasant experience and we sincerely hope you do all that you can to help us achieve this goal.

Sincerely,

Kelly Lapp,
Director of Operations

By Signing below, Tenant has been made aware of, understands and agrees to all policies herein, and certifies that he/she has been provided a copy of this document, which becomes an Addendum to the Lease Agreement.
